

List Your Allergies & Reactions Here:

Form #2327 (2/06)

What I Need to Know About Each Medicine

- What is the name of each medicine?
- What is it for?
- How much should I take, and when?
- How should I take it? With food?
- How long should I take it?
- What should I do if I miss a dose?
- Are there any side effects?
- What should I do if I have side effects?
- Is it safe to take with other medicines I am taking, including over-the-counter medicine, vitamins, or herbals?
- What food, beverages, or activities should I avoid while taking it?
